

WORTEN IN VASCO DA GAMA WELCOMES LODOVICA COMELLO FROM THE SERIES "VIOLETTA"

Lodovica Comello is going to be at the Worten store in Lisbon's Vasco da Gama shopping centre on Sunday 5 April, from 17:00, for an autograph session that promises to be a huge hit.

This store event is part of the "Lodovica World Tour" organised by the young actress/singer, who is world famous for her role as Francesca, "Violetta's" best friend.

It is though, the launch of her second album of original songs called "Mariposa" on sale now from Worten stores, that brings her to the autograph session next Sunday at 17:00 in the Vasco da Gama shopping centre store.

Lodovica Comello (24) also has two concerts scheduled for Portugal, at the Coliseu do Porto that same night at 21:00, and a concert at the Coliseu de Lisboa on 4 April at 17:00. Tickets for both performances are on sale from Worten stores.
